**NECTAR**  
IV NUTRITION

## IV Treatments

### **THE NECTAR Elite**

The Nectar was the drink from the gods of milk and honey that if a mortal could get their hands on would give him immortality. This is a beautiful synergy of High Dose Vitamin C, B Vitamins, Macro and Trace Minerals. Used to target chronic issues, sicknesses and disease states or seriously elevate your immune or fitness and recovery game. (LIVE BLOOD ANALYSIS RECOMMENDED)

### **THE NECTAR Lite**

A slightly modified version of the famous Meyer's Cocktail. All the benefits and perfect for a quick and light "pick me up" before or after travel, competition or a cost effective immune boost.

### **Immune Boost**

Looking for an immune boost? Tired fatigued and always sick? Our Immune Boost IV is for anyone feeling a little rundown. This may help shorten the duration of an illness while boosting your immune system. There's a reason people say to hydrate when you're sick - Hydration can help flush out your system while replenishing the fluids lost from fighting off an infection. IV fluids, 0.5 Grams Vitamin C, B-Complex, 0.5 MG of Zinc.

### **Apollo**

He was known as the god of healing in greek mythology and this IV takes your immunity to a new level. Similar to the Immune Boost IV but at the level that would make Apollo smile. IV fluids, 2.5 Grams Vitamin C, calcium, magnesium B5, Multi-Trace elements, B1, B6, B2, Selenium, 10 mg of Zinc and 100mg of Niacin.

### **Beauty Bag**

IV fluids, anti-oxidants and vitamins to help your body detoxify and improve your complexion giving you a radiant glow. Did you know that many skin insecurities — from wrinkles to dry skin — have been known to improve with proper hydration? Boost collagen, brighten your skin and support healthy skin, hair and nails and glow from the inside out. B-Complex with an extra boost of Biotin and .5 Grams of Vitamin C.

### **Recover/Hang Over**

Whether you partied just a little too much or are feeling under the weather - this bag is full of everything you need to fight body aches, nausea, and dehydration. It is sure to get you back on track ASAP!

### **Mighty Aphrodite**

The was the greek goddess of beauty. Take your inner beauty to the next level with IV fluids, anti-oxidants and vitamins to help your body detoxify and improve your complexion giving you a radiant glow. This is a beautiful synergy of alpha lipoid acid, 2.5 Grams of Vitamin C, Biotin, calcium gluconate, dexpanthanol, Magnesium, trace minerals, thiamine, riboflavin, niacin and pyridoxine and as if that was not enough we push 2 Grams of Glutathione at the end to help with oxidative stress.

### **Weekend Warrior**

This IV cocktail is a favorite with weekend warriors, fitness fans, and athletes of all kinds. This signature cocktail is great for replenishing the fluids lost during a workout. It is also power-packed with a nutrient combo that is known to aid endurance, boost stamina and accelerate muscle recovery. IV Fluids, 0.5 Grams Vitamin C, B-Complex, Aminos, and Minerals.

### **The Marathon**

The Greek legend of a messenger running from marathon 25 miles with news of a Greek victory over invading Persians. This IV is the Weekend Warrior taken to a new level. The Marathon can help you run one or help you repair from one. IV Fluids, Aminosyn blend, 2.5 gm of Vitamin C, 2 different bioavailable forms of Calcium, Magnesium, Taurine, Zinc, B5, B1, B6, B2, and niacin.

### **Haphaestus and Pluto "Chelation"**

Prolonged exposure to chemicals and heavy metals can build up in body systems over time. Metals are one of the pollutants that disrupt body function significantly. Heavy metal chelation through IV therapy is a wonderful tool used to pull metals from the body that may have been present for years. Chronic conditions need to be considered. Toxicity is visualized on live and dry blood analysis and often exhibits symptoms of fatigue, depression, anxiety, mood swings, mental fog and more... 3 different IV treatments (2 Chelations and 1 remineralization). (LIVE BLOOD ANALYSIS RECOMMENDED)
